## 2018 All-American Games Program Summary

*"Where Olympic Dreams Begin"*

### Overview:

The USA Softball All-American Games is a prestigious tournament hosted at the USA Softball Hall of Fame Stadium in Oklahoma City. The All-American Games will provide National exposure to elite athletes in the 12u age division and has been specifically designed to identify and highlight the best athletes from across the country. **Event Date for 2018 is June 29-July 1, Oklahoma City, OK.**

Each Region will select two teams (30 individual athletes and 4 coaches) to represent their geographical area. Additional at-large selections are given to certain Regions with highest registration. This event is designed to recognize individual athletes for their outstanding playing abilities and selections should represent the individual best players and not an in-tact team. Designation to a USA Softball All-American team is the highest honor a player can receive and instantly brands a player as one of the top athletes in the United States. Only 360 girls Nationwide will have the opportunity to wear the USA Softball jersey at this elite event.

Participants experience VIP treatment during their time at the USA Softball All-American Games. The event will feature a free camp for all players, a meet & greet with USA Softball National Team Members, Opening Ceremonies, and intense competition in a 3 Game Guarantee Tournament and a swag bag for all participants.
